The screenshot displays the Wolfram Cloud Files interface. At the top, the header includes the Wolfram Cloud logo and name, and a user profile icon. Below the header, there are navigation buttons for 'Upload' and 'New', and a 'Recent' breadcrumb. A secondary toolbar contains actions like 'Open', 'Open In Desktop', 'Favorite', 'Rename', 'Download', 'Details', 'Copy URL', and 'Share'. On the left, a sidebar lists navigation options: Home, Favorites, Unnamed, Shared By You, Shared With You, Deployments, and Trash. The main area shows a 'Recent' view with one file selected: 'ThingsToTry.nb', which has a notebook icon. A context menu is open over the file, listing the same actions as the secondary toolbar.

The screenshot shows the Wolfram Cloud interface for a new notebook. The top navigation bar includes the Wolfram logo, "WOLFRAM CLOUD", and links for "Plan: Basic", "UPGRADE", "Documentation", "Language Intro", "Quick Links", and "Cloud Files". Below this is a menu bar with options like "File", "Format", "Insert", "Evaluation", "View", "Help", "Share", and "Publish". The main workspace is currently empty, labeled "(unnamed)". On the right side, there is a "Cloud Files" sidebar showing a file explorer with folders named "userEiWLs", "Base", and "Copied Files". At the bottom of the page, a dark grey footer contains a cookie notice: "This website uses cookies to optimize your experience with our service on the site, as described in our Privacy Policy." and an "Accept & Close" button.
