

## INTERMEDIATE PLUS UNIT 6

### 6.1 Modals of deduction

**1** Rewrite the sentences using the modal verbs in brackets.

1 I'm certain that using social media too much encourages you to be individualistic. (must)

\_\_\_\_\_

\_\_\_\_\_

2 Brian didn't return the book he borrowed so I'm not going to lend him anything again. (shan't)

\_\_\_\_\_

\_\_\_\_\_

3 It's likely to be easy to convince Josep to help us. (should)

\_\_\_\_\_

\_\_\_\_\_

4 I think it's possible that Martina helps out at the dog shelter. (might)

\_\_\_\_\_

\_\_\_\_\_

5 Don't use the eggs or we are certain not to have enough for Luis' birthday cake. (won't)

\_\_\_\_\_

\_\_\_\_\_

6 It's very likely that dinner is going to be ready in ten minutes. (should)

\_\_\_\_\_

\_\_\_\_\_

7 I'm certain this is not the way to reduce homelessness. (can't)

\_\_\_\_\_

\_\_\_\_\_

8 What a great idea! I'm certain Maria is going to love it. (will)

\_\_\_\_\_

\_\_\_\_\_

9 It's only two kilometres to Lyon. It's unlikely to take long to get there. (shouldn't)

\_\_\_\_\_

\_\_\_\_\_

**2** The underlined modal verbs are wrong. Correct the mistakes.

1 My boss must to live in a gigantic house. He's super rich.

\_\_\_\_\_

2 Karim shouldn't get the job. He has the necessary experience.

\_\_\_\_\_

3 Carol can be in the storeroom. I saw her there ten minutes ago.

\_\_\_\_\_

4 Philip can't want to go shopping on Saturday afternoon. It'll be packed.

\_\_\_\_\_

5 I'm sure Maura shall think it's a great idea.

\_\_\_\_\_

6 It mustn't be Andrew's bedroom. His is filthy and this is spotless.

### 6.2 Third and mixed conditionals

**1A** Complete the story using the words in bold. Write third or mixed conditional sentences.

If Florence hadn't won the lottery, she wouldn't have decided to go travelling.

1 **take a flight to Bali** (third conditional)  
*If she hadn't gone travelling, she wouldn't have taken a flight to Bali.*

2 **be in an accident** (third conditional)

\_\_\_\_\_

3 **land on a deserted island** (third conditional)

\_\_\_\_\_

4 **be stuck there** (mixed conditional)

\_\_\_\_\_

**B** Now complete this story.

If Pepe hadn't lost his job, he wouldn't have been broke.

1 **rob a bank** (third conditional)

\_\_\_\_\_

2 **sent to prison** (third conditional)

\_\_\_\_\_

3 **be a criminal** (mixed conditional)

\_\_\_\_\_

**2** Complete the mixed conditional sentences using the prompts in brackets.

1 If you \_\_\_\_\_ (not go) on holiday tomorrow morning, I \_\_\_\_\_ (invite) you to lunch this weekend.

2 If you \_\_\_\_\_ (spend) all our money, I \_\_\_\_\_ (be able) afford a new coat.

3 If we \_\_\_\_\_ (forget) our passports, we \_\_\_\_\_ (lie) on a beach right now.

4 They \_\_\_\_\_ (donate) money to charity, if they \_\_\_\_\_ (not be) in debt at the moment.

5 I \_\_\_\_\_ (not walk) on air if my team \_\_\_\_\_ (not win) the match this morning.

6 We \_\_\_\_\_ (be) rich if we \_\_\_\_\_ (invest) money in the stock market.

## 6.3 Ask for and express agreement/disagreement

- 1** Complete the conversation with one word in each gap. The first letter of each word is given.
- L:** You look a bit down, James. Are you OK?  
**J:** No, I'm not, Lisa. I'm broke.  
**L:** <sup>1</sup>R \_\_\_\_\_? But it's only the fifth of the month.  
**J:** Well, after rent and bills I don't have much left. It's like that for everyone, <sup>2</sup>i \_\_\_\_\_ ' \_\_\_\_\_ i \_\_\_\_\_?  
**L:** Not <sup>3</sup>n \_\_\_\_\_. You just have to organise your money better.  
**J:** No <sup>4</sup>d \_\_\_\_\_ a \_\_\_\_\_ i \_\_\_\_\_! I suppose I should try to save a little bit of money each month.  
**L:** <sup>5</sup>A \_\_\_\_\_. But you can't do that unless you have a bit spare. You have an expensive subscription for a satellite TV sports channel, <sup>6</sup>d \_\_\_\_\_ ' \_\_\_\_\_ y \_\_\_\_\_?  
**J:** <sup>7</sup>T \_\_\_\_\_ ' \_\_\_\_\_ r \_\_\_\_\_. You don't think I should cancel it, <sup>8</sup>d \_\_\_\_\_ y \_\_\_\_\_?  
**L:** Yes, <sup>9</sup>d \_\_\_\_\_! You'd save a lot of money that way, <sup>10</sup>w \_\_\_\_\_ ' \_\_\_\_\_ y \_\_\_\_\_?  
**J:** <sup>11</sup>N \_\_\_\_\_ w \_\_\_\_\_! I'm not doing it. Anyway, I'd spend all the money in bars watching the matches.  
**L:** That's <sup>12</sup>p \_\_\_\_\_ t \_\_\_\_\_. You could try it for a few months.  
**J:** I could sell some of my computer games. I've got loads that I don't play anymore. That'll make quite a bit of money, <sup>13</sup>w \_\_\_\_\_ ' \_\_\_\_\_ i \_\_\_\_\_?  
**L:** I <sup>14</sup>d \_\_\_\_\_ ' \_\_\_\_\_ t \_\_\_\_\_ s \_\_\_\_\_. Old computer games are really cheap now. They won't give you much money for them.  
**J:** I'd say the <sup>15</sup>o \_\_\_\_\_. Some of those are collector's editions.  
**L:** OK, great. Come on! Let's go to the restaurant. I'm paying, OK?  
**J:** <sup>16</sup>T \_\_\_\_\_! Thanks.
