AWS Academy Course Catalogue Visual Guide

AWS Academy offers courses and resources that enable learners to develop a range of skills in the AWS Cloud. This guide provides a visual of all AWS Academy courses by AWS category and course level. Use this to help you continue to deepen your AWS Cloud knowledge and confidently teach associate level courses!

Category | **Course Progression** = Foundational Level = Associate Level

Cloud Foundations

- AWS Academy Cloud Foundations
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean

Solution Architect

- AWS Academy Cloud Foundations
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean
- AWS Academy Cloud Architecting
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean
- AWS Academy Lab Project: Web Application Builder
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean
- AWS Academy Lab Project: Cloud Security Builder
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean

Machine Learning

- AWS Academy Cloud Foundations
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean
- AWS Academy Machine Learning Foundations
  *also available in: Chinese, Spanish (LatAm), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean
- AWS Academy Machine Learning for Natural Language Processing

Data Engineering

- AWS Academy Cloud Foundations
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean
- AWS Academy Data Engineering
- AWS Academy Lab Project: Cloud Data Pipeline Builder
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean

Security

- AWS Academy Cloud Foundations
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean
- AWS Academy Cloud Security Foundations
  *also available in: Chinese, Spanish (LatAm), Portuguese (Brazil), Japanese
- AWS Academy Cloud Architecting
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean
- AWS Academy Lab Project: Cloud Security Builder
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean

Developer

- AWS Academy Cloud Foundations
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean
- AWS Academy Cloud Developing
- AWS Academy Lab Project: Microservices and CICD Pipeline Builder
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean

Operations

- AWS Academy Cloud Foundations
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean
- AWS Academy Cloud Operations
  *also available in: Chinese, Spanish (LatAm), Portuguese (Brazil)
- AWS Academy Lab Project: Microservices and CICD Pipeline Builder
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean

Data Centers

- AWS Academy Engineering Operations Techinician
- AWS Academy Data Center Technician
- AWS Academy Cloud Foundations
  *also available in: Chinese, Spanish (LatAm), French (France), Bahasa (Indonesia), Portuguese (Brazil), Japanese, Korean
