

Introducing myself

Let me introduce myself, my name is _____.

I am _____ years old. I am from _____.

I have a big family. There are 4 members in my family. They are my father, my mother, my brother/sister and me.

My parents are young. My mom is a good-looking woman. She works as _____. My mother likes reading books and magazines and she knows a lot of interesting things. My father is a _____. He likes his work very much. He likes to _____. He always helps me with my problems.

My brother/ sister is a _____.

In the evening all members of our family like to watch TV. Sometimes we go to the theater or concert. We are a friendly family. We are deeply attached to each other, and we get on very well.

It is important to have friends. It's not easy to meet a true and faithful friend. I am happy that I've got one. I trust him and I'm sure that I can rely on him in any situation. He is the person whom I can tell all my problems. He never lets people down. I think our friendship makes me feel confident; share to over feelings and opinions. Personally, I think that friendship is a great force.

Speaking about my hobbies, first of all I enjoy...
It is a good way to relax / have fun / have a rest / get distressed.

- Music is a means of getting away from daily stress.
- My favorite composer/ singer/ music band is...
- I love his/ her/ their music for sincerity, lightness...
- I can play the...

- Reading helps me learn more and perfect myself.
- My favorite writer is... His/ her books are deep, sophisticated...
- My favorite one is...

- Sport helps me keep fit and relax after a rough day. I am keen on...

- Walking is a healthy and relaxing activity.
- I can breathe fresh air, keep fit and healthy and also change the scene.

- Cooking helps me express myself.
- I like to treat my friends and family with something delicious.
- My specialty is... It is cooked like that:...

- The Net is an important part of our daily life.
- I can find many interesting things on the Internet: music/ e-books/ films/ online games/ social networks/ online dating.

• I spend my free time in a new reality thus forgetting about my current problems.

I think it is necessary to have a hobby. Your free time is not wasted.
Now I am a first-year student of Zaporizhzhia National University,
_____ Faculty, _____ Department.

At the age of six I went to school.

I was awarded with a gold medal because I made good progress in all the subjects.

I am accustomed to work under pressure. I have left school in _____ and entered Zaporizhzhia National University.

I have decided to become a _____ because I believe my job should be interesting and socially important.

John F. Kennedy once said “Ask not what your country can do for you — ask what you can do for your country”.

He is right. And I would like to know what I can do for my country.

I think that _____ can help to develop the field of _____ in Ukraine.

So, I want to be a good specialist. I think it makes no sense to become a bad one.

It's my meaning of life to do something for people, for my country, for separate factory, at least. I think that this profession gives plenty of opportunity to help people.

I would like to add that my future profession _____.

I think that any good _____ must _____.

I like my future profession and I am going to do my best to become a professional.
