

## **INDIVIDUAL TASK**

### **Task Instructions: Speaking Section Presentation**

**Objective:** Deliver a clear, structured, and engaging presentation in English on challenges in the Speaking section of international exams and strategies to overcome them.

#### **Step-by-Step Instructions:**

##### **1. Preparation (Before Class)**

- Review Unit 9 materials and related resources on international English exams (e.g. IELTS, Cambridge, TOEFL).
- Identify common challenges students face during the Speaking section.
- Research effective strategies to overcome these challenges.
- Prepare notes with key points, examples, and references.

##### **2. Presentation Structure**

###### **Introduction (1-2 minutes):**

- Briefly introduce the topic and its importance.
- State the purpose of your presentation.

###### **Main Body (5-7 minutes):**

- Present 3–5 key challenges in the Speaking section.
- Explain practical strategies or techniques to overcome each challenge.
- Support your points with examples, statistics, or references.

###### **Conclusion (1-2 minutes):**

- Summarize the main points.
- Suggest tips for exam preparation.
- Invite questions or comments from classmates.

##### **3. Language and Style**

- Use advanced vocabulary, idiomatic expressions, and varied sentence structures suitable for C2 level.
- Maintain a formal but engaging academic style.
- Speak clearly, with appropriate intonation and pace.

##### **4. Visual Aids (Optional)**

- Use slides, diagrams, or charts to support your points.
- Ensure visuals are clear, professional, and not overcrowded.

##### **5. Submission / Presentation Day**

- Present during the last class of the semester.
- Be ready to answer questions from the instructor and classmates.
- Ensure your presentation fits within the 8–10 minute timeframe.

##### **6. Assessment Criteria**

- Clarity and organization of content.
- Depth of analysis and examples.
- Language accuracy and range (grammar, vocabulary, idioms).
- Presentation skills (pronunciation, fluency, engagement).
