

KA2 - Cooperation for innovation and the exchange of good practices

Capacity Building in Higher Education

Before you begin completing this eForm:

- Test your connection to the Agency's online submission service. Click on the 'Test your connection' button in the footer of the eForm. This is not to submit your form but merely to test that your software settings and internet connection allow an application to be submitted. If having clicked on this button, you do not receive a confirmation that your connection was successful, please consult the 'Known Issues' section of the eForm homepage. Here you can find, amongst other things, advice on internet settings and Adobe (Reader or Acrobat) security settings, either of which can prevent a successful connection to the Agency's online submission service. Please note that, if after performing a successful test, you move your eForm to a different computer or upgrade your version of Adobe Reader, you will need to perform the test again. This is because the original test result will no longer be valid. For a fuller description of how the 'Test your connection' function works please consult the eForm User Guide.

- Check that you have the latest available version of the eForm. In the event of a significant eForm problem arising, the Agency may decide to make available an updated i.e. corrected version of the eForm. The latest version number of each eForm is displayed on the eForm homepage whilst specific details of any problem and its impact would be published on the funding opportunity webpage of the programme concerned.
